**PROPOSED PHASE II DEMOLITION WORKPLAN - FORMER ITT AEROSPACE
CONTROLS FACILITY, 1200 FLOWER STREET, BURBANK, CALIFORNIA
(FILE NO. 109.0562; PCA NO. 20488)**

Dear Ms. Olmsted and Mr. Sobeck:

We have reviewed the *Workplan, for Phase II Demolition Activities* dated January 18, 2002, prepared by Remedial Construction Services, Inc. (RECON), for the subject site.

We concur with your planned demolition activities provided that the work is performed as proposed, and the following conditions are met:

1. You must submit a site specific Health and Safety Plan at least 14 days prior to implementation of the workplan.
2. You must obtain the concurrence of the appropriate governmental agencies and secure the necessary permits for this project.

Please notify us at least 7 days in advance of the planned start day of the demolition activities, so we may schedule one of our staff to be present.

California Environmental Protection Agency

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption
For a list of simple ways to reduce demand and cut your energy costs, see the tips at: <http://www.swrcb.ca.gov/news/echallenge.html>

Our mission is to preserve and enhance the quality of California's water resources for the benefit of present and future generations.

Ms. Theresa Olmsted
Mr. Scott Sobeck
